## 目標

You can greet people on your first shift and understand instructions from the store manager.

## 会話

Clerk Good morning manager, everyone. I'm Jan, today is my first day here. Nice to meet you.

Manager/other clerks Nice to meet you.

Manager I look forward to working with you.

Clerk Yes, me too.

Manager Since today is your first day, I will show you around the store. You change into the uniform here and start your work.

Clerk OK.

Manager Please keep your personal belongings in the locker. Please try not to bring large bags to the store because it will get in the way.

Clerk Yes, got it. May I go outside during the break?

Manager Of course. But please take off your uniform if you go shopping at the store during break.

Clerk Got it.

Manager And you need to record time of attendance and leaving by using that computer. So please do not forget that.

Clerk Got it.

Manager Jan-san, well done. You really did a good job today. When you leave work, please check your next work schedule.

Clerk Yes. I got it. See you next time.

Manager See you.
