会話

Manager Jan-san, we don't have many customers so you can take a break now.

Clerk OK. Thank you. Um... excuse me, store manager. I'd like to discuss my shift for next month. Can I talk to you now?

Manager Yes, no problem. What is it?

Clerk Um... I have an exam at school on July 14th, so I want to ask for a day off....

Manager The 14th... OK. Well then, I'll look for someone to replace you.

Clerk Oh, store manager, the other day I asked Mr./Ms. Suzuki, who works the evening shift, if he/she can come in during the day....

Manager What did he/she say?

Clerk Yes, he/she said he/she can.

Manager Really? I'm glad. I'll talk to Mr./Ms. Suzuki myself. Good luck with your exam.

Clerk Yes, thank you very much. I'll do my best.
